Subject: Incoming Durango IC at GKM Site Today

All,

I'll be in transit to/from and at the GKM Gladstone CP & Mine Site today from 0930-1700 MDT. For much of this time I'll have limited to no cell coverage.

Althea Foster (outgoing IC) will be in the command post until about 1400 MDT, please contact her for any urgent matters during that time. Her cell is Personal Phone/Ex. 6

After 1400 MDT if I can't be contacted please call the land line for the Durango ICP at 303.828.3407.

The cell number for the GKM Command Post at Gladstone is 303.954.4719.

Notification/Alert procedures remain the same as per the GKM Stakeholders Alert & Notification Plan dated 9/7/2015.

For less urgent matters I'll be back on full email access by 1700 MDT.

Thank you

Mike

Mike Barry | Cell: 617.680.5466 | barry.michael@epa.gov
